### School Description

Victory High School is an educational option/continuation school for grades 11 and 12. It is a high school diploma program designed to meet the needs of students aged sixteen and older who have not graduated from high school. Our students are referred to our program for a variety of reasons ranging from needing a smaller school environment, a range of emotional and family issues, to credit deficiency and danger of not graduating. Supplemental programs and services include Regional Occupation Programs, career and mental health counseling, and work experience. Our goal is to graduate each Victory High School student with a high school diploma.

### Mission Statement

At Victory High School, students are supported while learning core knowledge, skills and self-advocacy to be successful in an ever-changing global-based society. We engage students in their own learning by celebrating their successes and helping them to envision and create their own futures.

School Motto: Motivate, Educate, Graduate

### ESLR's: Students will:

Achieve Academic Competence by meeting state content standards in all subjects, by completing all required courses, and by passing the CAHSEE.  
Become Communicators who convey significant messages verbally, in writing, and through use of appropriate technology in academic and non-academic settings.  
Become Citizens who willingly volunteer, respect other cultures, and are responsible members of society as evidenced by good attendance and behavior in a safe and supportive environment.  
Become Career Seekers who demonstrate interpersonal skills through graduation portfolio requirements

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Victory High School now occupies the Rocklin Alternative Education Center campus on Victory Drive. This beautiful facility opened in January 2000. Students and staff take pride in the appearance of our school, and our lead custodian sees to it that our campus is always clean and safe. The district maintenance and grounds crew also pay regular visits and make inspections at our campus. Students are allowed on campus after 8:00 a.m. and all depart by 4:00 p.m. All visitors to the campus are required to sign-in in the administrative office.

Rocklin Independent Charter Academy currently occupies two buildings on the Victory High School site.

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. District maintenance ensures that the repairs necessary to keep the school sites in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

**B. Pupil Outcomes**

**State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Results for All Students - Three-Year Comparison									
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)								
	School			District			State		
	13-14	14-15	15-16	13-14	14-15	15-16	13-14	14-15	15-16

\* Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	2015-16 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	14-15	15-16	14-15	15-16	14-15	15-16
<b>ELA</b>	58	41	70	71	44	48
<b>Math</b>	8		58	61	34	36

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10)				
Group	Number of Students		Percent of Students	
	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced

\* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2015-16 CAASPP Assessment Results - English Language Arts (ELA)  
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Grade	Number of Students		Percent of Students	
		Enrolled	Tested	Tested	Standard Met or Exceeded
All Students	11	36	30	83.3	41.4
Male	11	22	18	81.8	33.3
Female	11	14	12	85.7	54.5
White	11	31	25	80.7	40.0
Socioeconomically Disadvantaged	11	16	15	93.8	42.9

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**School Year 2015-16 CAASPP Assessment Results - Mathematics  
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Grade	Number of Students		Percent of Students	
		Enrolled	Tested	Tested	Standard Met or Exceeded
All Students	11	39	31	79.5	
Male	11	23	17	73.9	
Female	11	16	14	87.5	
White	11	33	26	78.8	
Socioeconomically Disadvantaged	11	18	16	88.9	

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement (School Year 2016-17)

Parental involvement is available through our School Site Council which has regular meetings. In addition, parents can assist and volunteer with our Associated Student Body (ASB) on fundraisers and field trip supervision. Our Interact club reaches out to the community and always welcomes parent volunteers. Any parents wanting to assist in the aforementioned programs or through the Administrative Office for clerical assistance can contact the main office at (916) 632-3195. Parents can also help with the school bowling team, providing transportation and support. In addition, Victory High School hosts a Back to-School Night in the Fall, for which attendance is heavily promoted and encouraged. Lastly, graduation is a welcome event for all parents and community parents to attend.

#### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

All schools in the Rocklin Unified School District have a Comprehensive School Safety Plan approved by the School Site Council. It includes an assessment of the current status of school crime, procedures to notify teachers of dangerous pupils, disaster procedures, child abuse reporting procedures, rules and procedures on school discipline, school wide dress code, policies regarding actions which would lead to suspension/expulsion, sexual harassment policy, procedures for the safe ingress and egress of pupils, and other safe school strategies and programs.

The Safety Plan also includes an action plan for implementation. Date of Last Review/Update: Updated each February of the school year based on feedback from District, staff discussions and SRO. The Safety Plan (Specifically the rules/procedures on school discipline, disaster protocol, and harassment are reviewed with the staff each August prior to the start of the school year (with 3 drills scheduled throughout the year: October, January, April). Documentation is collected following each drill and reviewed by administration where changes are made based on feedback.

Last Year's Safety plan was approved by Site Council on January 27th, 2016 and a presentation was conducted of the plan by Principal Mark Williams (including input from local School Resource Officer and Fire Department representative).
